3-Day Intensive Beekeeping Course

If you've been thinking about becoming a beekeeper and keeping hives in the Flagstaff area, this hands-on course is for you. Now's the time; catch the buzz this monsoon season. Taught by Patrick Pynes, the three classes in this fifteen-hour course will answer these essential questions and more:

- What kind of hive should I use?
- Where do I get the bees?
- Where do I place the hive?
- How do I take care of the bees?
- What makes high altitude beekeeping different?

This intensive course will take place at Willow Bend Environmental Education Center, Flagstaff EcoRanch, and in private Flagstaff area apiaries.

Dates: Friday, July 31, 2015 (5 pm – 8 pm)

Saturday, August 1, 2015 (8 am - 2 pm)

Sunday, August 2, 2015 (8 am - 2 pm)

Cost: \$200
